

SUSPENSION BRIDGES
FOR TRANSPORTATION SERVICES

The Suspension Bridge Company has grown from its origins as a focused support provider into a full-spectrum logistics partner for complex government and commercial operations.

COMPANY **INTRODUCTIONS**

The Suspension Bridge Company was established to provide comprehensive Logistics Services in support of the U.S. Government (USG) and, it's Coalition Forces, DoD and civilian contractors, in support of the War Fighter with life support services, Material Handling Equipment, Non-Tactical Vehicles, Catering, Lodging, Manpower, Transportation Services, Equipment Supplies and many other special requirements.

OUR COMMITMENT

More than a vendor, we serve as an extension of your logistics arm.

SUSPENSION BRIDGES
FOR TRANSPORTATION SERVICES

ABOUT **SUSPENSION BRIDGES**

The Suspension Bridge Company has grown from its origins as a focused support provider into a full-spectrum logistics partner for complex government and commercial operations. Leveraging decades of collective experience, we deliver turnkey life-support solutions—from state-of-the-art Material Handling Equipment and secure non-tactical vehicles to on-site lodging and gourmet catering services.

More than a vendor, we serve as an extension of your logistics arm—sharing your commitment to operational excellence, cost transparency, and above-all, the safety and welfare of the War Fighter. Trust Suspension Bridge Company to bridge the gap between mission planning and mission success.

COMPANY MISSION

We pride ourselves on adaptability and innovation. From rapid-deployment Mobile Kitchen Trailers to scalable workforce solutions, our catalog of services evolves with emerging requirements and cutting-edge technology.

Committed to provide complete integrated services and flexible solutions

The Suspension Bridge Company is committed to provide our customer complete integrated services and flexible solutions with a total focus on time-critical delivery by expanding our resources, providing competitive pricing, quality equipment and services, which will meet the customer standards which have no equal.
